DISCIPLINE INFORMATION

We do not anticipate any discipline problems; however, we are prepared to handle problems as they arise. Violation of any of the following rules is grounds for being sent home:

- sneaking out
- leaving the campus
- being in rooms of the opposite sex
- refusal to obey
- possession of drugs/alcohol/weapons

If your child is sent home, it is your responsibility to drive down to the camp to pick them up. All other issues will be handled accordingly. Most offenses are verbally addressed. Multiple offenses or more serious offenses may result in your student missing rec/free time and could lead to their being sent home.
