

Camper Parents,

You are about to send your kids on an epic 5 day adventure! The KidsMin Team is jazzed that you have trusted us with your kiddos for this week. We know some of you may be nervous, but rest assured that we are both camp and kid professionals and you can count on the fact that your kids are going to love camp. We don't call it #BestCampEver for nothing!

In this packet is everything you could ever want to know about camp! Once you've read through it if you still have questions please send a quick email to our camp admin Trynna at **tbenson@clifec.com** or call her at **972-564-5433**. There are a few things we need for **EACH** of the kids that you are sending to camp. Please make note of the check list at the end of this packet to ensure that we have everything we need. Also, if your kids are bringing friends, we need this info filled out by their guardians, so grab a packet for them as well!

The last year we have had success in our FaceBook Live camp parent meeting. So we will continue with this tradition and go live for our #BestCampEver 2019 meeting. On **Sunday, June 9th at 4:00 we will go LIVE on Facebook** to cover last minute camp info, as well as answer your questions. So make sure to like us on your campus' Kidsmin Facebook. This will allow you to see reminders and updates about all things KidsMin and camp!

Okay, are you ready? Let's get this camp registration started!

Most Important and Helpful Camp Info Ever

Who: COMPLETED 3rd - 6th graders. Please put your child's **completed** grade on their paperwork.

When: June 25th-29th

Where: Timberline Baptist Camp, Lindale, Texas

Why: Camp is super fun, but it is also a week of concentrated Jesus and community building. Our overall heart is to give kids a Biblical Worldview. Camp fits in to this by allowing us to remove the distractions of daily life and really lean into the idea of viewing the world through their understanding of Christ.

How Much: \$280

- We know this can sound like a lot so please don't let this number keep you from sending your kids. We have options! Contact your campus KidsMinister and together we will work out the best scholarship solution for your family.

- 6th graders that attend #BestCampEver and The EVENT will receive a \$40 discount on their EVENT registration.

What You Need to Do: Sign your kids up at **clifec.com** under the "Events" tab OR scan the QR code below **by June 16th** AND check out the check list later in the packet.

Camp Must Haves

What should I pack? That is one of the most common questions! Here is a list to help you out! Also please note there are **3 theme nights** so your kids will want to be decked out for those as well!

What to Bring:

- Play clothes for 4 days
 - We have Rec every day so you will want 2 "outfits" per day because it's summer in Texas, and sometimes Rec is messy!
- Swim suits (see dress code below)
- Jammies
- Closed toed tennis shoes and flip flops (for showering and trips to the pool)
- Towel(s) for bathing and swimming
- Toiletries (Including deodorant for those who need it. See previous note about Texas summer.)
- Reusable Water Bottle labeled well with their name.
- Bedding
 - Pillow, twin sheets and blanket or sleeping bag
 - Bedding needs to be packed in their bag or in a **STRONG** trash bag (yes put the sleeping bag inside the trash bag too. Trust us.)
- Small back pack or drawstring bag (So they can carry their own Bibles and water bottles)

- Bible, and journal if your kid is a notetaker or doodler
- Sunscreen and Bug Spray
- Flash Light
- Prescription or Allergy Medicine (Don't pack this in their bag, it will be turned into our camp nurse at registration!)
- Snacks or money for Snack Shack (\$10 would be plenty)

Dress Code:

- Shorts for girls must be mid-thigh, and tank tops must have 3 inch straps.
- Girls swim suits **must completely cover front and back midriffs**, as well as have modest necklines. No flyaways. No bikinis covered by t-shirts.
- Boys must wear shirts at all time, unless they are swimming.

What NOT to Bring:

- Phones. At all. They wont have service. They will get broken or stolen. You will cry.
- Have a kid that loves taking pictures? Send a disposable camera! They will love its archaic-ness and the anticipation of waiting for them to be developed.
- Fidget spinners. They will get lost, stolen, broken, thrown in the lake and everyone will be sad.

Theme Nights

Fav Sport

On Wednesday Night everyone is welcome to come dressed in their favorite sports team or favorite sport or player! This includes:

- T-shirts, shorts, hats, socks, jersey's etc.
- There is no wrong way to do this theme night, only different levels of sportiness!
- We will post some pics of our own sports fanaticism for you to get some ideas!

Mission Just Barely Possible

Thursday Night at camp is spoken of in hushed reverent tones because it is the night we embark on Mission Just Barely Possible. This is an epic, KidsMin created event designed to challenge Camp Community Groups to work as a team to complete activities and bring home the victory for their grade.

This night all campers and leaders will cover themselves in clothing and accessories (not body paint...) in the color that represents their grade. This is a go big or go home kinda night so, go big cause you can't go home!

3rd Grade - Orange

4th Grade - Green

5th Grade - Red

6th Grade - Blue

*Please remember they are grouped by their **completed grade!**

Celebrate

I want you..... to come dressed in red white and blue!! On Friday night we want to sparkle like fireworks in the colors of our great country. We are celebrating Jesus and our desire to make Him famous in the world! So deck out, and we will have all the fun! Brought to you courtesy of the red white and blue.
