The proposed Recreational Activities, including but not limited to: Challenge Course Activities, Paintball, or Horseback Riding, provided by Timberline require participation in physical exercises which are, by their nature, demanding. Many of the activities will challenge you and cause surges in blood pressure and pulse rates. It is imperative that you are free of any heart related or other diseases. Therefore, all participants must be free of medical or physical conditions which might create undue risks to themselves or any others who depend on them. Good physical condition will increase your enjoyment of the outdoor activities. If there is any doubt about your ability to safely participate in this experience, you should have a physical examination.

I am aware that during my participation in recreation at Timberline upon my request certain risks and danger may occur. These include, but are not limited to, the hazards of being in a wilderness area, the forces of nature, and other reasons concerning this special environment. I have and do hereby assume all risks and will hold staff, officers, and trustees harmless from any and all liability, actions, cause of action, debts, claims and demands of every kind and nature whatsoever which I now have or which may arise from or in connection with my participation in any activities arranged for me by Timberline and its staff. The terms hereof shall serve as a **Release and Assumption of Risk** for my heirs, executors, and administrators and for all members of my family.

This form gives Timberline permission to take my child's picture, individually or in a group, and publish it for promotional purposes only.

I **DO NOT** give permission to take pictures. \_\_\_\_\_ (Initials of Participant/Parent or Guardian)

Timberline reserves the right to not allow any individual and/or group which presents itself as a liability risk to participate in this program. This is at the sole discretion of the Timberline staff.

In case of accident or illness Timberline will attempt to provide first aid and arrange transportation to medical services, if needed. Timberline does have limited secondary insurance.

**Assumption Of Risk And Release Form must be completely filled out and signed by the participant *and* by parent or legal guardian (for children under 18). These forms must be given to Timberline staff upon arrival to Timberline. Failure to circle "EXCLUDING" gives consent to participate in these activities.**

**The health history above is correct, so far as I know, and I believe that my health is satisfactory to participate in all scheduled activities, EXCLUDING the Challenge Course activities EXCLUDING Rappelling and/or Rockwall**

**EXCLUDING Paintball**

**EXCLUDING Horseback Riding.**
